Volume 62 — THE TOWNSHIP REGISTER, NILES, CALIFORNIA, FRIDAY, NOVEMBER 17, 1950 — No. 46

'WET YEAR' HOPED FOR AS RAINFALL TOTAL INCREASES

The seasonal rainfall total continued to exceed last year's total, for the corresponding period, during the past week with 1.20 inches recorded up to noon yesterday by the rain gauge at the Southern Pacific depot in Niles.

Rainfall recorded here since July 1 now totals 3.06 inches, a gain of .89 of an inch over the rainfall recorded to this date last year.

The storm early Monday morning, though comparatively brief in duration, resulted in minor damage to trees by the high wind. The downpour was so heavy that the run-off overflowed curbs in many localities. The rain gauge recorded .51 of an inch of rainfall during the storm.

The season's total was boosted another .61 of an inch up to noon yesterday by a light drizzle.

Beet and cauliflower harvesters have been handicapped by the muddy fields but no damage to crops was reported. The tomato harvest has drawn to a close locally.

Water district officials expressed hope that the rain would continue in sufficient quantities to afford a flow down Alameda Creek so that it could be diverted into the percolation pits near Niles to supplement the ebbing underground water table.

PAGEANT DEPICTS CHURCH FOUNDING

An estimated 200 members and friends of the Irvington Community Presbyterian Church attended formal dedication services of the new recreation hall at the church last Sunday afternoon.

The new building was formally dedicated by the Rev. Lester Eisel of San Francisco, assisted by Rev. John Peffers, pastor of the Newark Presbyterian Church, Cecil Rhoades, student pastor of the Irvington Church, and Howard Steward, student pastor of the Centerville Presbyterian Church.

Highlight of the dedication was the historical pageant of the founding of the church more than 60 years ago. The pageant, with a cast of more than 50 persons, was presented under the direction of Mrs. Martha Hartsog with a musical background provided by Dwight Thornburg at the organ.

The program was closed with the tea, served by the Church Women's Association and the Ada-Mites, in the new building.

CENTERVILLE CUBS IN YULE PROJECT

Centerville Cub Scouts will be very busy for the next six weeks repairing toys for the needy children of Centerville. A box for old, new, or damaged toys has been placed in the Centerville post office, and it is hoped that well-wishers will fill the box to overflowing. Other boxes will also be placed in various stores in Centerville.

The toys which are not used by the Cubs will be turned over to the Centerville Lions Club for repair and will be distributed to under-privileged children

The bond issue was recently authorized by the voters of the district for the purpose of purchasing school lots, the building and purchasing of school buildings, alterations or additions to the buildings, purchase of school furniture or the permanent improvement of school grounds. Bulk of the issue will be used in purchasing a new school building site near Ellsworth Orchard tract.

The school district, which has a total assessed valuation of $3,361,680, now has a bonded indebtedness of $106,000, not including the new bond issue.

NILES TROOP NO. 2 WINS ANNUAL BOY SCOUT RODEO HERE

Boy Scouts from troops in four of the communities of Washington Township gathered at the gymnasium of Washington Union High School Tuesday evening for their annual Scout Rodeo.

First place honors in the nine competitive events went to Niles Troop Nofl 2 with 120½ points. Irvington took second honors with 92½ points, and Centerville and Newark tied for third place with 70 points each. The Attendance Pennant was won by the Irvington Troop.

The Rodeo opened with the assembly of Scout Troops and the Pledge of Allegiance. The address of welcome was delivered by Judge Allen G. Norris, president of the Oakland Area Council, Boy Scouts of America.

Phil Souza, Centerville Scouter, was presented with the Scouter's Key by Judge Norris. Fred Duffie, Niles, was chairman of the Rodeo commttee.

Merchants of the township who sponsored pennants for the affair were Walter Connolly, Irvington; Allan Hirsch, Irvington; L. S. Williams, Joe Adams and Wes Sears, Centerville; Bernie Joseph, Decoto, and Joe Viveiros and John Brahmst, Niles.

The judging was done by Scouters, Scoutmasters and committeemen.

ANNEXATION ASKED TO UNION DISTRICT

Property owners in two areas near Niles have petitioned for annexation to the Union Sanitary District, it was revealed yesterday by Harry Goodridge, district engineer.

The two areas are a 13-acre tract east of Canyon Heights, known as the Stenhammer and Woodward properties, and a five acre tract on Fremont owned by James Nunes.

Goodridge said that no bond issues will be called by the district for the purpose of sewering the new areas. He said that the annexation would clear the way for the property owners to connect their own sewer lines on to the existing district's lines.

REBER PLAN GETS NATIONAL NOTICE

The Reber Plan for transforming San Francisco Bay into the world's largest artificial lake this week is receiving national attention through the pages of the Saturday Evening Post.

The magazine article, by Frank J. Taylor, is entitled, "They Want to Rebuild San Francisco Bay."

The background of John Reber is related and the story of the growth of his "Plan" is told from its beginning in 1907.

A comprehensive survey of the Reber Plan, costing approximately $2,000,000, has been authorized in the 1950 Rivers and Harbors Bill. The work will be undertaken by the U. S. Army Engineers.

The store which displays the best Christmas decoration in Niles this year will receive a $10 prize, it was decided Tuesday by the Niles Chamber of Commerce.

A prize for the best decorated residence is also being considered by the Chamber, but no definite action has yet been taken.

John Brahmst reported Tuesday that the street decorations for the business district will be installed by the end of November.

LOCAL BROTHERS MEET IN KOREA

A major port in battle-scarred Korea, halfway around the world from their home in Irvington, was the setting for a surprise brief reunion for two brothers, Michael and Don Torres.

The meeting took place on October 20 when Donald, a private first class with the First Marine Division, learned that the ship on which his brother was serving was anchored in the port. He hitched a boat ride to the ship and enjoyed a brief visit with his brother, Mike, third-class petty officer in the U. S. Navy.

That evening Don moved on up toward the front lines with his Marine group and Mike's ship sailed for the United States.

Mike is now on leave visiting at the home of his parents, Mr. and Mrs. Francisco Torres in Irvington. On November 19 he will report back to duty at San Diego.

DECOTO CHAMBER DISCUSSES WATER, ZONING PROBLEMS

Clifford Dennis, manager of the Niles office of the Citizen's Utilities Corporation, was the guest speaker at the Tuesday evening meeting of the Decoto Chamber of Commerce. He spoke on the current water problems which concern the area.

He explained to the group that Tareyton Village Tract will have its own well and that the water supplied there will not be taken from the water district.

Asked as to the status of persons residing on the Niles-Decoto Highway and on the north side of Whipple Road receiving water from the Ctizens Utilities Water Company without being in the district or paying water district taxes, Dennis replied that he had no jurisdiction as to whether or not these persons are taken into a district.

Presdent Edward Paniagua stated that he would attend the next meeting of the water district board and asked Manuel Hidalgo and Frank Rebello to serve on the committee with him.

It was revealed at the meeting that a petition is being prepared to be presented to the Alameda County Planning Commission asking for an adjustment of the present zoning ordinance. Members present stated that the present ordinance states that new businesses must be built 25 feet from the property line on the highway.

The property owners stated that the state has already taken 14 feet from the front of the lots and another 25-foot setback would make them too small for business purposes. The Chamber voted to support the property owners on their stand.

Henry Vivera and Manuel Hidalgo were named to select two Christmas trees to be decorated by the Chamber. It was also voted to donate a $5 prize to be awarded for the most beautifully decorated tree in town. Judges will be Jack Faletti, Tony Lopez, Rinaldo Caminada, Joe Valenzuela and Jose Caldeira.

Nomination and election of new officers will be held at the next meeting.

THREE LOCAL TEACHERS WIN MASTER DEGREES

Three Washington Township men, all members of the faculty at Washington Union High School, have been awarded their Master of Arts Degrees from Stanford University as the result of completing their studies at the university during the summer quarter.

The three men are Clyde E. Voorhees Jr., Judson E. Taylor and Stebler Loze.

RED CROSS PLEADS FOR BLOOD DONORS

The urgent need of volunteers from this area to donate blood for shipment to field hospitals in Korea was told this week by LeRoy Broun, Centerville, Red Cross chairman for Washington Township.

"We are 800 pints of blood under our quota for this month for this area," Broun said yesterday. He urged localites to form carload groups and motor to Oakland to give blood. Appointments can be made by phoning GLencourt 2-2840.

The Red Cross headquarters is located at 354 Hobart Street, Oakland.

Broun said yesterday that he is endeavoring to arrange for the mobile blood bank unit to visit Washington Township at some future date for the convenience of those persons who are unable to make the trip to Oakland.

He stated that he was informed that the Oakland Red Cross Chapter does not at the present time have a sufficient number of doctors to staff both the headquarters and the mobile unit. He was promsed that the unit would visit this area as soon as the staff is completed.

LONELY SENTINEL . . . The object in the mystery picture above might be a quarter of beef on a barbecue spit, but it isn't. When you think you know what it is and where it is located in Washington Township, telephone The Register, Niles 3261 or 3271, and if you are the first or 20th to call and give the correct answer you will win a cash award. —Register Photo

THREE LOCAL BOYS ENLIST IN NAVY

Three Washington Township men were recently enlisted in the U. S. Navy through the Navy Recruiting Station, City Hall, San Leandro, and are presently undergoing recruit training at the Naval Training Center, San Diego.

The men are: John Castleman, son of Mr. and Mrs. John B. Castleman of 390 Riverside Avenue, Niles; Robert De La Torre, son of Mr. and Mrs. Arthur De La Torre of 701 12th Street, Decoto, and James Treleaven, son of Mr. and Mrs. Sidney Treleaven of 59-A Prune Avenue, Irvington.

All men attended the Washington Union High School, and De La Torre was a graduate of 1950. He was also a member of the high school's baseball, football and baseball teams while attending school.

COMPANY PRESIDENT INSPECTS WORK ON NEW DECOTO PLANT

After a thorough study of the entire east bay area it was our conclusion that Washington Township provided the best industrial location, so said General Douglas Armstrong, president of the United States Pipe and Foundry Company last week-end.

General Armstrong came here from the company's home office in Burlington, New Jersey, to confer with his Pacific Coast representatives and to inspect the progress being made at the company's new $2,500,000 plant at Decoto.

The Alameda County Planning Commission recently cleared the way for the company to purchase a 71-acre factory site at Decoto by rezoning the area for heavy industry. The entire site has now been graded and foundations poured for most of the buildings.

The plant is expected to be completed by July of 1951 and General Armstrong said this week that upon the completion of the plant a celebration will be held, at which time he would desire having the various community leaders inspect the plant.

General Armstrong served for 36 years as an officer in the United States Army and retired in 1946 to accept the presidency of the pipe company.

He was accompanied on his tour of the plant site by company representatives, county officials and officers of the Decoto Chamber of Commerce.

DEATH OF TILDEN IS MOURNED HERE

Alameda County's "grand old man," and a former resident of Niles, Major Charles Lee Tilden, died at his home in Alameda last Sunday at the age of 93.

Major Tilden, the only brother of Mrs. Laura Whipple's mother (the late Mrs. Thane), was widely known throughout the state as "the father of the regional park system."

A lawyer, miner, soldier, Major Tilden was proudest perhaps of his career in developing the regional park system as a recreational area for the community.

Perhaps more than any other individual, he was responsible for acquisition of some 4300 acres of land beyond the Oakland hills, which have become the elaborate system that provides recreation for hundreds of thousands of persons each year.

Mrs. Whipple, who visited the old gentleman only a week before his death, says that Major Tilden lived in Niles with his parents for about six years, commuting to his office in San Francisco.

"One of his most cherished possessions," said Mrs. Whipple, "was an etching given to him by President Grant. He was a widely-traveled man and knew many people. I am proud that he was my uncle."

CUB SCOUT ACHIEVEMENT NIGHT AT NILES CHURCH

The Achievement Night program of the Niles Cub Scout Pack, originally scheduled to be held at the Niles School, will be held at 8 o'clock tonight (Friday) at the recreation hall at the Niles Congregational Church.

The meeting, open to the public, will include the presentation of awards to the Cubs by Cubmaster Frank Crossman and a skit to be presented by the young Scouts.

89 PERSONS GAVE RIGHT ANSWERS TO MYSTERY PICTURE

A new record was set in The Register's "Guess Where" Contest last week with 89 persons telephoning their guesses as to the identity of the mystery picture between 9 a.m. and 5 p.m. last Friday —and, all of the 89 were correct!

Not one of the persons who telephoned The Register to identify the mystery picture failed to name it as the highway waiting station at the Masonic Home near Decoto.

Another unusual feature about last week's contest was that two Niles residents won both awards. Miss Thelma Biale, an employee at the Central Bank in Niles, was the first to telephone the correct answers to The Register, thus winning the $2.50 first prize.

The second award of $2.50 was won by Mrs. Lester Murphy, also of Niles.

Calls were received last Friday from contestants in Niles, Decoto, Centerville, Irvington, Mission San Jose and Newark.

The first twenty contest calls to The Register last Friday, in the order received, were as follows: Thelma Biale, Niles; Lucille Brown, Niles; M. Caldeira, Niles; Manuel Seaone, Decoto; Florence Matthews, Niles; Mrs. Raymond Brandt, Centerville; Mrs. Eva Mayer, Irvington; Vivian Escobar, Mission San Jose; Ida Camiagua, Decoto.

Al Ferreira, Decoto; John Franco, Niles; Mrs. Scamman, Irvington; Frances Tyson, Niles; Wallace Pond, Irvington; Verba Westray, Niles; Mrs. Barney Langner, Niles; C. N. Hadley, Niles; Mrs. Mae Raymond, Irvington; Mrs. Lyle Lloyd, Niles, and Mrs. Lester Murphy, Niles.

Call number 21, received only seconds after Mrs. Murphy's winning call, was from Anthony Rogers, Mission San Jose.

Readers of The Register may find this week's picture, at the bottom of the page, a little more difficult to identify and locate.

If you think you know the answers telephone The Register, Niles 3261 or 3271, after 9 a.m. today and if you are either the first or twentieth to call and give the correct answers you will be mailed a check for $2.50.

Everyone is eligible to play—but, we urge you to act promptly.

POSTMASTERS HOLD MEETING AT NILES

Postmaster and Mrs. E. E. Enos of Niles were the speakers at the monthly meeting of the Alameda County Postmasters Association held Wednesday evening at the International Kitchen.

Mrs. Enos talked on social activities of the national convention of postmasters, which she and her husband attended at St. Louis, Mo., October 22-26. Of particular interest to the ladies attending Wednesday's meeting was her talk on the Halloween party given for them by prominent national magazines.

Postmaster Enos' talk was devoted to the activities of the Association, the election of officers and the addresses delivered by department officials from Washington.

Twenty-nine postmasters and their guests attended the meeting held here, with Mrs. Julia Harris, Newark, serving as hostess.

UPLAND SEASON ON GAME OPENS NOV. 18

Upland game hunters—a quarter of a million strong—may take to the field at 8 a.m. Saturday, November 18, as pheasants, brush and cottontail rabbits, tree squirrels, and quail become legal targets in most sections of California.

During the 10-day open pheasant hunting season, shooting hours for all upland game begin at 8 a.m. and end at sunset. From Nov. 28 to Dec. 31, shooting hours are between: one-half hour before sunrise and one-half hour after sunset.

Bag limits are 10 male pheasants a season, but not more than two a day; eight quail; four brush and cottontail rabbits; and two tree squirrels a day. There is no limit on jack rabbits.

A 1950 hunting license is required for all upland game hunting. Pheasant hunters must affix a tag to the leg of each bird taken. Ten tags for $1 are now on sale at Division of Fish and Game offices and license agencies.

FROM MINNESOTA

After waiting nearly a week for their company from Minnesota to arrive, Dot and Jake Koelsch and son David enjoyed having Mr. and Mrs. Ray Olsen of Rochester, Minnesota, with them. They are old friends of former years.

SUNDAY GUEST

Mrs. Mary Hassler of Oakland was a Sunday dinner guest at the home of her sister, Mrs. Rose Recend.

GUARDIAN ANGEL

Looks like little Richard Tamura really has a guardian angel loking after him for last Thursday he fell from the wall, pulling over a large piece of statuary and surely would have been badly hurt if it had fallen different. As it was, a hollowed out piece fell over his body, pinning him to the ground where his dad found him and had a hard time removing the stone because of its weight.

IN FLOOD AREA

Kathleen and Johnnie Amaral came sailing into the Mission Monday following several weeks spent in the flooded northwest Oregon area. Johnny was a bit disappointed to find no duck ponds around this neck of the woods, but really glad to be home so they could enjoy the company of their darling little granddaughter and her parents, who were staying at the home while they were gone.

GET WELL

Other folks who are sick or have been and are still on the mend are Mrs. Florence Medeiros, who nearly had pneumonia. Mr. Maurice Silva, who is still in the hospital following a heart attack, and our good friend and everybody's pal, Frank Dias, who is in the San Rafael Hospital where he underwent surgery for an old foot injury received in World War I. Come on, all of you. Get well quick.

MOTHERS CLUB MEETS

The Mothers Club held their regular monthly meeting Thursday evening with Vice-President Dorothy Click presiding. Following the business meeting, Mr. Stuart Fletcher very kindly showed some of his very interesting colored slides of places near the Mission, the flower shows and a number of lovelies from the Oregon coast and the rose festival in Portland.

SOMEONE YOU KNOW

Many of the folks of town will remember the Wallaces and the Birchers. Last week one day a sailor popped into the post office and it was Bud Bircher, eldest of the boys. He was on his way home to Salinas for the week-end as he is stationed at Treasure Island. He has a wife and three little girls and hopes that he will get his discharge in a few weeks. Brother Bob is a jeweler in San Jose, while sister Katharine lives in Salinas and has a nice little family.

NEW BUSINESS

One of our own home town boys has gone into the service station business across from the International Kitchen on Cherry Lane and Niles-Centervlle Road. He is Mervin Santos, son of Mr. and Mrs. Joe F. Santos of Ellsworth Street, who has lived in the Mission all his life.

WASHINGTON MEETS MT. VIEW TONIGHT TO CLOSE SEASON

The Washington High football squads will end their 1950 gridiron season tonight (Friday) in a double-header against Mountain View on the turf of Memorial Stadium at Centerville.

Last Friday night both Washington squads scored easy wins over San Jose Tech in S.C.V.A.L. clashes on the home field. The Puppies dumped their opponents 31 to 6 and the Huskies won 27-7.

The Huskies played without the services of George Pagan, hard-hitting fullback, who was benched with a leg injury. Jack Bribes took over the fullback duties and turned in an outstanding performance, particularly in the passing department.

The Huskies took the opening kick-off and marched 85 yards to the first touchdown with Gil Cicairos going over from the 15-yard stripe. Salvador's boot for extra point was good and the Huskies held a 7-0 edge with the game but 4 minutes old.

Early in the second quarter a Washington fumble on the Tech 33-yard line proved costly. A long pass over the heads of the Washington defense accounted for the only San Jose score. The extra point was added by means of a line plunge.

With but two minutes left in the half, Cicairos gathered in Bribe's pass, eluded the Tech defensive backs in a beautiful job of broken-field running, to score the second Washington touchdown. Salvador booted for the extra point.

Two passes to Silveira and Zeisse carried the Huskies to the Tech 10-yard line in the opening minutes of the second half and Cicairos skirted his own right end to score. A penalty on the try for extra point set the Huskies back 15 yards and the passing attempt failed, giving the Huskies a 27-7 lead.

The Tech eleven drove to the Washington 5-yard line in the closing minutes of the third quarter but the Huskies' forward wall tightened and held.

The Huskies took over on their own five and in a series of passes to Cicairos, Galvan and Silveira, marched the full length of the field with Silveira snagging Cicairos' pass in the end zone for the final touchdown of the game. Salvador maintained his perfect record of the evening by splitting the uprights for the extra point.

Hollywood Night Life Told by Localites

Mr. and Mrs. Wayne Day of Centerville have returned home after a week-end in Hollywood, with reports of the "nightlife" in that gay city. It was not the usual kind of night-life, however, that the ordinary tourist experiences. The night-life was without any of the bright lights. In fact, it was carried on in complete darkness. In a word, they had their car stolen from where it was parked in front of the home of their daughter, Mrs. Lincoln D'Amario. The unfortunate thing about the occurrence—or was it fortunate—was that the car did not belong to them, but to Mrs. Day's brother. In the car, however—which, because of its color, had been given the name of "Blondie"—were $90 worth of tools belonging to Mr. Day. Mr. Day tosses off the whole thing with a "Well, I never did like blondes anyhow."

ARNOLD MOZZETTI AND BRIDE ON HONEYMOON TRIP TO MEXICO

White chrysanthemums graced the altar at Corpus Christi Church for the vow exchange last Sunday of Cathy Viveiros and Arnold Mozzetti; and white baby 'mums, tied with white satin, were arranged at every other pew, making an all-white setting for the lovely brunet bride who walked down the aisle on the arm of her father, Joe Viveiros.

Cathy was preceded to the altar by Cora Perez, maid of honor, and bridesmaids Edna Lewis, Mrs. Ed Dutra, and Mrs. Cido Rocha.

The attendants were in alternate colors of green and bronze-colored velvet, the maid of honor's being in a slightly deeper shade. The gowns were styled with fitted bodices, with off-the-shoulder effect neckline. All the attendants carried bronze chrysanthemum muffs, tied with green satin. On their hair they wore braided coronets of velvet to match their gowns.

Cathy's bridal gown was of white velvet, the skirt falling in soft gathers and a long train from a fitted bodice, fashioned with square neckline trimmed in seed pearls. Her finger-tip illusion veil was held in place with a little white velvet cap trimmed in seed pearls. She carried a bouquet of bouvardias, and stephanotis, centered with an orchid.

Mrs. Viveiros wore a deep purple velvet suit on which she pinned an orchid corsage. Her hat and gloves were orchid-colored.

Ben Mozzetti was best man and ushers were Arthur Hughes, William Enos, and Howard Mendoza.

Mrs. Clarence Crane was at the organ and the choir sang several appropriate vocal selections.

Officiating at the ceremony was Father Carlos Mancido, a friend of the Viveiros family.

A reception at the Country Club followed the ceremony. The guests danced to the orchestra music of Albie Silva and his band and were on hand to watch Edna Lewis catch the bride's bouquet.

A refreshment table, highlighted with the wedding cake, was laden with a variety of delicacies prepared by a San Jose caterer.

The young couple left for a honeymoon to Mexico, the bride choosing a purple wool suit for her going-away outfit. After two weeks they will return to make their home in one of the new Berge apartments in Irvington.

OFFICIAL NOTICE OF SALE NILES SCHOOL DISTRICT 1951 SCHOOL BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of Alameda, State of California, at the office of the County Clerk and ex-officio Clerk of said Board of Supervisors, in the Court House, 1225 Fallon Street, Oakland 7, Alameda County, California, on DECEMBER 5, 1950, at the hour of 10 o'clock A.M., (P.S.T.) for the purchase of $33,000.00 principal amount of the bonds of the Niles School District of Alameda County, State of California, more particularly described below.

ISSUE: $33,000.00 consisting of 33 bonds of the denomination of $1,000.000 each, numbered 1 to 33, inclusive, all dated February 1, 1951.

INTEREST RATE. Maximum four (4) per cent. per annum, payable annually for the first year on February 1, 1952 and semi-annually thereafter on August 1st and February 1st in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent. per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially in consecutive numerical order, from lower to higher, $2,000.00 on February 1st in each of the years from and including 1952 to and including 1963, and $3,000.00 on February 1st in each of the years from and including 1964 to and including 1966.

PAYMENT: Both principal and interest payable in lawful money of the United States of America, at the office of the County Treasurer of Alameda County, in Oakland, California.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said Niles School District. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds are authorized to be issued and sold for the purpose of raising money for the following purposes:

The purchasing of school lots;

The building or purchasing of school buildings;

The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs;

The supplying of school buildings with furniture or necessary apparatus of a permanent nature; and

The permanent improvement of the school grounds.

SECURITY: Such bonds are general obligations of the Niles School District of Alameda County, State of California, and the Board of Supervisors of the County of Alameda has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said Niles School District subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax Laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Bureau of Internal Revenue, or by the decision of any Federal Court, the successful bidder may, at his option, prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of Messrs. Orrick, Dahlquist, Neff & Herrington, Attorneys at Law, of San Francisco, California, approving the validity of said bonds will be furnished to the successful bidder without charge, together with a certified copy of the transcript of proceedings.

The bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from February 1, 1951 to the respective maturity dates of the bonds at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the District. The lowest net interest cost shall be computed between the dates aforesaid according to standard bond interest tables. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. Said Board of Supervisors reserves the right, in its discretion, to reject any and all bids and to waive any irregularity or informality in any bid.

The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than December 5, 1950. Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of Alameda County in Oakland, California, as soon as the bonds can be prepared, which, it is estimated, will be about February 1, 1951. The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery on or prior to February 5, 1951, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid. The cost of printing the bonds will be borne by the District.

All bids must be unconditional, for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of Alameda County, State of California, and endorsed "Proposal for 1951 School Bonds of Niles School District of Alameda County." With each bid must be submitted a certified check or cashier's check for $500.00 drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the order of the Treasurer of Alameda County, to secure said Niles School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned upon the award of the bonds. No interest will be paid upon the deposit made by the successful bidder.

The Niles School District of Alameda County has been maintaining schools and otherwise acting as a School District under the laws of the State of California continuously since July 6, 1875. The total valuation of all taxable property in said District is $3,361,680.00 and the total bonded indebtedness (not including this issue) is $106,000.00. Further information relative to the financial condition of said District will be furnished to any bidder upon request.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices.

Dated: November 14, 1950.

County Clerk and ex officio Clerk of the Board of Supervisors of Alameda County, State of California.

DAY BY DAY IN DECOTO

By GRACE CAMINADA

AT A WEDDING

Mr. and Mrs. Manuel Muniz attended the lovely wedding of Laura Dorothy Silva and Joseph Anthony Rocha at Tracy on Sunday, November 5. Laura was attired in a beautiful satin gown as she walked down the aisle of the St. Bernard Catholic Church on the arm of her father.

FOOTBALL FANS

The Borghi family attended the Cal vs. U.C.L.A. game last Saturday. Many heard the exciting game and television fans were, of course, fortunate to see the thrilling game on their sets.

BIRTHDAY CELEBRANTS

Celebrating their birthdays last week were Frank Scorpiniti, whose birthday fell on Nov. 10, and Ed Caminada, whose birthday was on Armistice Day, the 11th.

FUN AT THE DANCE

Mr. and Mrs. Manuel Muniz had a wonderful time last Saturday night at the chamarita dance in Ashland.

WHIST PARTY

The Decoto P.T.A. has sold quite a few tickets to their whist party to be held tonight (Friday) at the Decoto Elementary School at 8 p.m. The members of the P.T.A. invite the public to attend. Have a good time, folks.

NEWCOMER

Ylaria Sapien Guterres opened up her sleepy eyes to greet her folks, Mr. and Mrs. Ysac Guterrez of 809 Railroad Avenue on Oct. 25 at the Hayward Hospital. She tipped the scales at 7 pounds and 13 ounces.

LUCKY ONES

Gloria and Jake Arribas attended another Cal game last Saturday afternoon. They are one of the lucky ones to have season tickets. Gosh!

JOINS NAVY

Bell bottom trousers! Yes, Chester Lazzarino will know that song very well now that he has joined the Navy and is training at San Diego. Many of his friends will remember when Chet was a house guest at the home of Mr. and Mrs. Frank Scorpiniti and when he graduated with the June class of 1950 from W.U.H.S.

FIRST MEETING

The Holy Rosary Club had their first meeting last Thursday evening at the home of Mrs. Maude Moura. Plans for a well-organized club were discussed by the many members who attended. Every person who is interested is asked to attend the next meeting, to be held on Dec. 6 at 7:30 p.m. Meeting place will be announced at a later date. Club officers elected were Mrs. Stella Calderia, president; Mrs. Grace Caminada, vice-president; Mrs. Mary Re, secretary; Mrs. Mare Terra, treasurer, and Mrs. Richardson, auditor.

VACATIONING

Diane Rae Caminada is enjoying a vacation at Grandma Tedeschi's home in Hayward, while Grandpa is in Hollywood on a business trip.

FIREMEN'S DANCE

Want to dance? Nothing to do and it's Saturday night? Well, let's all attend the Decoto Firemen's Dance Saturday night, Dec. 2. Don't forget Howard Fredric and his orchestra will be playing.

HEADING FOR A WEDDING

Wedding bells will soon be chiming for Lorene Corum and George Murphy, who were issued a marriage license this week.

SAD PASSING

The town of Decoto was shocked to hear of the death of Eugenia Sanchez who passed away Sunday morning at her home. Although

Thinking Things Over . . .

By VIVIAN BATMAN

THE GREAT SCOURGE

A bunch of locusts swarming in over a wheat crop could not have done as much damage as the sewer-digging crew in the Ellsworth Orchard. My only thought is—why don't they get women for these jobs?

If they had been deliberately trying to ravage the landscape these men could not have done a better job.

Streets have been torn up for weeks, mounds of earth have been left that seem to be as permanent as the pyramids, the water pipe was broken by the ditch-digging crew (leaving us all without water for one complete day), and now—as the final little practical joke—they have caused the street, which is the only means of egress from the tract—to totally collapse. Nice work, boys.

One woman in the tract became so incensed when she tried to come home to her sick children, and was blocked by the crew, that she whipped through the crew with her car like a bowling ball through nine-pins. Next time she'll probably make a strike! And who can blame her . . .

NILES IN THE HEADLINES

Niles gained national attention this week through the nationally-syndicated column of E. V. Durling. Mr. Durling, in his column, had this to say:

"The first horse opera film was not produced in Los Angeles as is frequently claimed. It was made in Niles, Calif., which is in Alameda County. The star was 'Bronco Billy' Anderson. It was in the spring of 1908 that Anderson established a studio in Niles. For 376 weeks he produced one-reel western films every week. A strange thing about Anderson, the first of all western film stars, was that he didn't like horses and was afraid of them. He finally deserted the western pictures and became a stage producer in New York. I believe he produced the first Greenwich Village Follies."

THE PLACE TO BE

I had a preview of the new Mission Sanitarium this week. My first thought was: what can I get, or what can I do, that will give me an excuse to stay in this beautiful place?

Everything is up-to-the-minute in equipment, as well as in decorating schemes. If you find perfectly healthy people "coming down" with something in the near future, don't be at all surprised. They will probably be conniving to get into this heavenly home for convalescents.

DEPENDS ON THE CALENDAR

The Register has been receiving frantic calls this week from people who want to know "When is Thanksgiving?" It seems that all the people in the township—or at least a great number of them—have a calendar on their walls which was given to them by a local business firm. On this very popular calendar Thanksgiving day falls on the 30th instead of the 23rd.

Our best informants tell us, however, that Thanksgiving Day is on the 23rd. But how pleased this local business firm must be to know that its calendar is so well read!
